To Whom It May Concern:

It is with pleasure that I write this recommendation letter for Emmet Sproul. Emmet has been a team rider for Ozone Kites USA for the last four years.

Emmet has been an asset to Ozone Kite USA as a team rider and a valuable ambassador to the sport of kiteboarding on water and on snow. Emmet has continuously worked with us to represent our product through riding, feedback, and media in the form of photos, videos, and magazine articles. He has also started an introduction to kiteboarding program teaching local youth the safe and fun aspects of kiting.

We at Ozone Kite USA would like to provide our endorsement and appreciation for Emmet Sproul. He is not only a member of our team, but a member of our family and I have no doubts he will be an asset to all who work with him.

Sincerely,

A handwritten signature in blue ink, appearing to read "Lee Kidd", is written in a cursive style.
